"Essential Oils for Everyday Health and Wellness: Using Nature's Living Energy to Enhance Your Health and Well-Being"

Izabella Tabarovsky, MA/HTCP is a Washington, DC-based clinical aromatherapist, holistic wellness coach, energy practitioner, and a mind/body medicine practitioner. She is on staff at the Washington Cancer Institute. She speaks frequently in the greater Washington, DC area and nationally on how essential oils can help us maintain physical, emotional, and spiritual well-being. She holds an MA from Harvard University. Her most recent article, "*7 Steps*

to Reduce Stress – and Feel More Energetic and Connected," appeared in *Woman Around Town*. For more information, please visit www.IzabellaTabarovsky.com
